

YOUR IDEAS

MOVE THE FLEET FORWARD 

WE RELY ON IDEAS FROM SAILORS AND MARINES,
AND USE SCIENCE & TECHNOLOGY TO MAKE YOUR JOB SAFER,
MORE EFFECTIVE AND MORE EFFICIENT

THE PROCESS

YOU

tell us what
the problem is

1

"The equipment supported by TechSolutions has been a game changer for our guys. It not only has enabled them to do the normal better, but has also allowed them to do some things operationally that were not at all possible before."

- Naval Special
Warfare Sailor
12/8/2017

WE

partner with
the science
and technology
community
to rapidly bring
your ideas to
the field

2

YOUR

idea is turned
into a prototype
and demonstrated
in a relevant
environment
